

Rights and responsibilities

Environment

Prior Knowledge

Year 3: We have covered the themes of keeping ourselves safe, valuing difference and relationships.

Key stage 1 & EYFS: During KS1 and reception, we learnt about rights and responsibilities.

Year 2: We learnt about getting along with others, dealing with our emotions and looking after our environment.

Year 1: Keeping ourselves clean, caring for our school environment and looking after money.

EYFS: Asking for help, building relationships.

Where next? Future learning

Year 4: Rights & Responsibilities – Staying healthy and safe, fake news, expenses, pay taxes.

Year 5: Rights & Responsibilities – Fact or opinion? Spending wisely, councils, rights, responsibilities and duties.

Year 6: Rights & Responsibilities – Two sided stories, Facebook friends, jobs and taxes, democracy in Britain (British Values links)

My Component Knowledge:

Lesson 1: I can link my prior learning and explain my understanding of caring for the environment.

Lesson 2: I can understand what volunteers are.

Lesson 3: I can understand how to look after the Earth's environment.

Lesson 4: I can understand what income means.

Lesson 5: I can understand a story and explain how to make changes to protect the planet.

Lesson 6: I can explain ways to respect my learning environment.

My Composite Knowledge:

I can understand how to look after and protect different environments. I can understand the difference between volunteering and working for income.

My Powerful Knowledge:

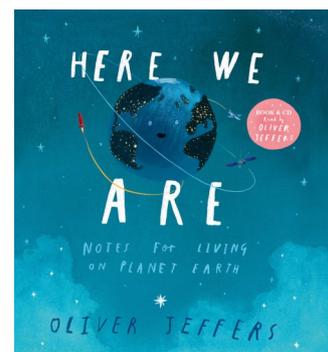

I can develop my understanding of being a responsible citizen, aware of wider and global issues.
