

## A note from the Head

Dear Parents / Carers

It has been a very busy couple of weeks with residential, I am looking forward to being back in school on Monday for our Sports Day. Let's hope the weather stays dry!

Thank you to Mrs Blacker who is now on her second residential in two weeks, we will make that three after next week after she accompanies Year 4 to Wildwood Escot!

Thank you very much, we could not run these fantastic opportunities without the support of our wonderful staff. There were lots of smiling faces and laughter when I visited the Year 3 campers last night. I don't think much sleep has been had overnight though, and I hear the first ones woke at 5:30am this morning! I think they will all be very tired tonight. I know the Year 4s are looking forward to their trip to Wildwood Escot next week.

Just to let you know, the Year 6 SATS results will be released on 11<sup>th</sup> July and will be sent home for your information.

Have a lovely weekend

Mrs V Fenemore

# LITTLE WOODLANDS

NEWS FROM THE PRESCHOOL

## Preschool

What a super week! We have continued our theme 'Under the sea' by making jelly fish using craft resources, play dough jellyfish and in maths we have been working on number recognition by adding the correct number of legs to each of the numbered jellyfish.

On Wednesday we enjoyed our Summer stay and play party where we made fruit kebabs and played with our new water toys.

The children have been brilliant all week and really engaged in all the learning opportunities available.

Have a wonderful weekend.

*Mrs Stapley and the Preschool team*

# THE LEARNING ZONE

SHARING OUR LEARNING AND A MESSAGE FROM THE TEACHERS

## Class 1

This week we have had another day at Forest School with Mrs Blacker. We made dolls- house sized furniture, clay characters to use the furniture and chocolate brownies in the Dutch oven, as well as practising our striking with 'dragon's breaths'. Another great day for us all!

Reception have been learning about the work farmers do and the transport they use. They have been thinking about rhyming words, naming the babies of different types of animals and talking about who Christians believe created our world and all the plants and animals on it. During Maths activities, they have been learning about odd and even numbers. They have been sharing items to see if the numbers are odd or even as well as painting pictures of an odd day.

In English, Years 1 and 2 have completed their story writing. They have worked really hard on these and have all written some fantastic cumulative stories. In Maths, Year 1 have started a unit of work on place value within 100. They have been practising counting to a hundred and learning how to partition 2-digit numbers using part-whole diagrams and place value charts. Year 2 have been concentrating on drawing their own pictograms and thinking about questions they could ask a partner about them.

In other lessons, the children have been designing a fruit salad, thinking about what bullying is and carrying out some investigations to test their sense of smell, taste, touch and sight. They have also been learning about the Qur'an and its importance to Muslims.

We hope you all have a lovely weekend and enjoy the Summer Fete on Saturday!

Well done Class 1.

*Mrs Godly*

# THE LEARNING ZONE

SHARING OUR LEARNING AND A MESSAGE FROM THE TEACHERS

## Class 2

Another busy week in Class 2!

All the Year 4's have completed their times tables check, well done to all the children you have all worked hard on your times tables all year and has been fantastic to see your confidence grow.

In English, we have been planning and writing our own version of our book Earth Verse. The children have worked in groups to create language around their chosen topics and then used their knowledge of Haikus to manipulate the language into a Haiku. The children have started to add their own art work to their book. In History, this week we have been learning about the Divine right. The children gave their initial thoughts on what they thought this could mean and what they thought of when they heard the term Divine right. We discussed the advantages and disadvantages of this and the fact that God was thought to have chosen the Monarchs. The children added their thoughts to a post-it notes and created a poster of their own.

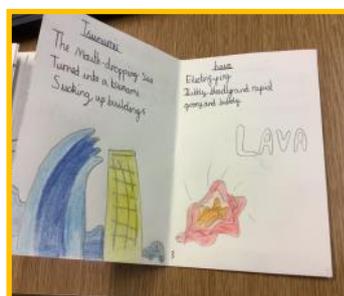

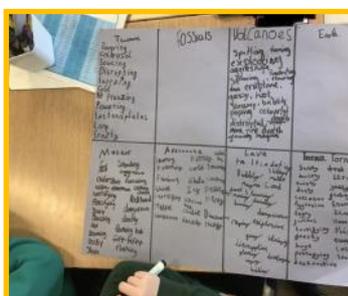

In Science, Year 3 and 4 have been learning about the Skeleton and it's function and purpose, the children learnt about Hydrostatic, exoskeleton and endoskeletons, they created their own definitions and examples of animals that had these.

On Thursday, Year 3 travelled to Winkleigh to take part in their residential. We can't wait to hear how they got on and the fun they had. Next week Year 4 will be on their residential and are already looking forward to it!

The children are very excited about sports day on Monday.

Have a great weekend Class 2!

*Mr Saltearn*

# ATTENDANCE

UK Health  
Security  
Agency

## Should I keep my **child off school?**

### Yes

#### Until...

Chickenpox	at least 5 days from the onset of the rash and until all blisters have crusted over
Diarrhoea and Vomiting	48 hours after their last episode
Cold and Flu-like illness (including COVID-19)	they no longer have a high temperature and feel well enough to attend. Follow the national guidance if they've tested positive for COVID-19.
Impetigo	their sores have crusted and healed, or 48 hours after they started antibiotics
Measles	4 days after the rash first appeared
Mumps	5 days after the swelling started
Scabies	they've had their first treatment
Scarlet Fever	24 hours after they started taking antibiotics
Whooping Cough	48 hours after they started taking antibiotics

### No

but make sure you let their school or nursery know about...

Hand, foot and mouth	Glandular fever
Head lice	Tonsillitis
Threadworms	Slapped cheek

#### Advice and guidance

To find out more, search for health protection in schools or scan the QR code or visit <https://qrco.de/minfoc>.

Are you entitled?

Families with children in Class 1 who are eligible are encouraged to apply as the funding is in addition to Universal Free School Meals!

If your circumstances have changed and you are now in receipt of one or more of the following:

- Universal credit (provided you have a net income of £7400 or less)
- Income support
- Income-based jobseekers' allowance
- Income-related employment and support allowance
- Support under Part IV of the Immigration and Asylum Act 1999
- The guaranteed element of state pension credit
- Child tax credit, provided that you are not also entitled to working tax credit and have an annual gross income of £16,190 or less

You may be eligible for pupil premium funding for Kings Nympton Primary School, which entitles your child/ren to receive Free School Meals.

It takes less than a minute to apply.

Visit the Citizen Portal Devon

<https://oneonline.devon.gov.uk/CCsCitizenPortal> LIVE

or call the Education Helpline on 0345 155 1019.

If eligible, please send a screenshot of your confirmation to [admin@kingsnympton.devon.sch.uk](mailto:admin@kingsnympton.devon.sch.uk)

## Holiday Activities and Food (HAF) programme

The aim of the Holiday Activity and Food (HAF) programme is to support children to eat more healthily, be more active over the school holidays and have a greater knowledge of health and nutrition as well as be more engaged with school and other local services.

To help you find the guidance that you need, we've created the information pages set out below.

Please note that the HAF programme covers four days at Easter, 16 days in the summer and four days at Christmas – it does not run in half term holidays.
