A note from the Head

Dear Parents and Carers,

The Nursery children enjoyed their visit from Animals 2U on Tuesday, they met a hamster, two tortoises and a Giant African Land Snail! They talked about how to care for them, their habitats, and favourite foods.

Years 3 and 4 had a fantastic day at Queen Elizabeth's College in Crediton on Tuesday. They spent the day orienteering, and despite the slightly chilly weather they loved it. This was provided as part of the PE package we buy into using PE Premium funding. We are very grateful for the opportunities QE have provided so far.

Next week sees the start of our Christmas festivities, starting with Christmas lunch, Nursery Singing Concert and the Santa Run, don't forget to sign up on the Gateway if you would like your child to receive their Santa medal.

The children are starting to get a little bit excited! We also have our family breakfast and open morning on Friday, thank you to everyone who has ordered breakfast already, the deadline is midnight tonight. Breakfast is cooked to order so please order in advance on the Gateway if you would like to join us. We look forward to seeing you all there.

Next week is final week of after school enrichment clubs for this term, the new programme of enrichment clubs for spring will be sent out by email on Monday. It's also the last Nursery Stay & Play session of the year, ending with Christmas crafts and a special gift for every child— please contact admin to get your tickets; £3.50 per child. Stay & Play will then return on 12th January.

Year 5 and 6—don't forget to return Bikeability forms, places are filling fast! And Owls and Year 1— those selected, please return your Dental Epidemiology Survey replies by Monday.

May I remind parents and carers that only assistance dogs are permitted on the school site, please do not bring your dog onto school grounds.

Have a lovely weekend,

Mrs V Fenemore. Executive Headteacher

Santa Run 2023

Once again, we will be hosting our own Santa run event at school on Wednesday 6th December 2023.

Everyone is welcome to dress up in Christmas attire to complete laps of the track throughout the day.

If you would like your child to take part, please pay £1 via the Gateway. Medals are available for all participants.

In All Saints Church.

Parents, carers, grandparents of children in Key Stage 2 only invited.

Friday 15th December

Last Day of Term— Class Parties

In the afternoon, children will have their Class Christmas parties—fun, games and party food.

Please send in a small plate of food with your child, to share.

Christmas Fun Day!

Wednesday 13th December

Christmas Games by Year 5 and Year 6

Working collaboratively in D&T lessons this term, Year 5 and 6 will devise, create, set up and run games for all the children in school to enjoy.

This will be a “pay to play” fundraising and enterprise event for Years 5 and 6. Children can bring up to (but no more than) £3.50 in to school with them on this day to take part.

Grand Prize Draw

The children in Year 6 started this term busily writing thoughtful letters to many local and national businesses asking for donations for our Grand Prize Draw.

We've had a fantastic response to the children's letters and have already received an amazing selection of prizes; from tickets for fun days out, to restaurant vouchers and Exeter Chiefs match tickets!

Entry Details

£2 per entry, you can buy as many entries as you like.

Prizes will be numbered. We will draw a name entry out of the hat, then draw a prize number, and match the winner to a numbered prize.

A payment request in Gateway will be set up to purchase your entries.

Closing date Friday 8th December

We will hold the prize draw in school on Wednesday 13th December. Winners will be contacted by email after the draw and invited to collect their prize from the school office before the end of term.

Prizes include:

Exeter Chiefs Match Day Ticket; Milky Way tickets; Graylings vouchers; Kents Cavern membership; Trago Mills voucher; Interior Design Consultation voucher; Wildlife & Dinosaur Park tickets; Cheese Factory hamper; RHS Rosemoor tickets; Waie 2 Play voucher; Sam's Cider gift; 2-day Pleasure Fishing ticket; and many more...

THE LEARNING ZONE

SHARING OUR LEARNING AND A MESSAGE FROM THE TEACHERS

Nursery (Squirrels & Hedgehogs)—Mrs Stapley

This week we have continued with our jungle animal theme! The children have been creating their own models of animals, counting animals making sure they say one number name per animal and they have practised their cutting skills by making jungle animal puppets.

We thoroughly enjoyed our visit from 'Animals 2 U' on Tuesday who brought Harvey the hamster, Slip the Giant African Snail and a pair of tortoises called Timothy and Tortellini! The children enjoyed learning about each of the animals and listened beautifully!

We have also started to think about Christmas! This has included singing lots of songs that we are looking forward to sharing with you on Tuesday 5th December. With regards to the Christmas concert on Tuesday 5th December—All children are welcome and you should have received your tickets, please remember to bring them on the day. If your child is not in session at that time please turn up with them when it starts at 2.30pm. We really hope all the children can attend.

Have a wonderful weekend!

The Nursery Team

THE LEARNING ZONE

SHARING OUR LEARNING AND A MESSAGE FROM THE TEACHERS

Owls Class—Mrs Bourner

This week in Owls Class the Christmas spirit is most definitely beginning to take over! The children were very excited to receive a letter from Santa on Tuesday and have all begun writing their own letters back. We are hoping to walk up to the Post Office next week to post our letters once we have finished writing them.

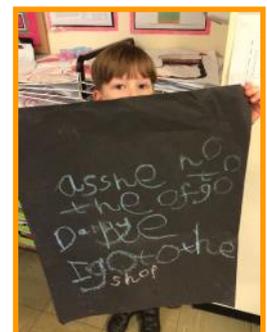

In maths this week, the children have been finding ways to compose numbers using salt dough, natural materials and multilink cubes and have been talking about how they can 'see' numbers and how they can arrange the same amounts in different ways.

It has been wonderful to see the children beginning to use their phonics knowledge independently this week and we have seen tricky words, CVC words and even short sentences cropping up everywhere. Well done Owls, what amazing work!

The children have been busily preparing for our Christmas play on the 11th December, singing songs, acting out their parts and painting scenery. They are very excited about sharing The Nativity story with you all.

Next week will be our assessment week so there will be no new phonics sounds or tricky words taught. Have a restful weekend Owls ready for plenty more festive fun next week!

As we will be having our Christmas lunch on Tuesday along with our dress rehearsal, there will be no PE lesson for Owls Class on Tuesday.

THE LEARNING ZONE

SHARING OUR LEARNING AND A MESSAGE FROM THE TEACHERS

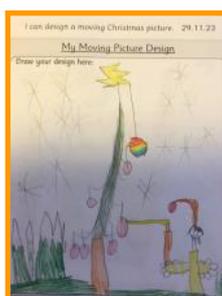

Year 1— Mrs Keast & Mrs Betts

In English we have been writing our shared story based upon 'Daisy Doodles'. We have been learning how verbs can be used to describe how an animal moves and we had fun thinking of lots of different words with a partner. Some of our favourite words were 'scampering' 'bobbing' and 'gliding'. We will try and use these in our writing next week to create some interesting stories.

In Maths we have been learning about 2D and 3D shapes. We have enjoyed opportunities to explore the different shapes and have used them to create some models and pictures. Our discussion about shape includes thinking about the number of sides and corners/vertices each one has.

In Design Technology this week we designed a moving calendar which will feature a Christmas design. We put all our previous learning into practice by considering how we would make part of our picture move. We have created some original design ideas which feature wheel mechanisms, levers and sliders. Next week we will be making the calendars and then evaluating how it went.

Thank you to everyone who contributed to our cake sale this week, it is greatly appreciated.

Year 2—Mrs Rowcliffe & Mrs Manning

This week the Year 2s have been busy with their tests. They have worked really hard and focussed well and with a really mature frame of mind.

The children have been busy learning the school play. The characters are really developing and the children are adding personal touches being mindful about the audience. Tickets for the play will be sent home next week.

In Science, they have drawn from knowledge that they gained on their school trip last and remembered what a coastal environment was like. They thought about the animals and plants that survive there. The children loved making their layered fridge magnets in DT.

In RE, they have thought about how Christians believe God created the world—and how they, as responsible citizens can look after it through reducing, reusing and recycling.

In History, they have been comparing the equipment used for Polar Expeditions now, compared to what explorers would have used a hundred years ago. They had interesting and well observed discussions about the past and now, showing a good understanding of the differences.

Next week, we will be back on the normal schedule of English and Maths and we will continue the daily Christmas play rehearsals!

THE LEARNING ZONE

SHARING OUR LEARNING AND A MESSAGE FROM THE TEACHERS

Year 3—Mr Slocombe

We have been busy this week, completing our end of term assessment quizzes as well as visiting QE on our postponed orienteering trip! Luckily, we had a dry day to enjoy exploring the grounds of QE in Crediton. The children all behaved impeccably and took part in each of the challenges that had been planned for them to develop their orienteering skills.

On Monday, in English we worked on our comprehension of the text 'Mog's Christmas Calamity.' Maths has seen us learn about dividing by 3 and the 3x table this week. We have applied our knowledge of the times table facts up to 12 x 3 to help our work out more challenging questions.

History involved learning about the Ancient Egyptian Gods and Goddesses. We each chose one to draw and paint, representing their role in the civilisation. In science, we learnt about air and water resistance, applying this to create a force diagram.

We were very excited to find that the classroom had been decorated for Christmas this morning, with lots of things to look forward to over the next couple of weeks!

Have a super weekend and I look forward to seeing you all on Monday!

Year 4—Miss McLean

Year Four have worked incredibly hard this week to complete their quizzes. They also had a fantastic day on Tuesday attending the postponed orienteering event. The children thoroughly enjoyed the trip and all joined in with the various orienteering activities and races throughout the day.

This week we have also started our Christmassy sequence in English by reading 'The Show Globe'. The children had a go at plotting the key events in the story and making a story map with small illustrations.

In D&T on Thursday, the children used their designs from last week to make their own pizzas. Next week, they will have the opportunity to evaluate what they have made.

In history, we learnt about what daily life was like for the Maya. We knew that most people in the Mayan civilisation were farmers but also found out that they used cacao beans as a currency, and they made a special 'hot chocolate' drink which they flavoured with vanilla and honey.

Well done Year Four for all your hard work this week, have a wonderful weekend!

THE LEARNING ZONE

SHARING OUR LEARNING AND A MESSAGE FROM THE TEACHERS

Year 5—Mr Walter

Year 5 have done brilliantly this week with their first NFER quiz week of the year. Everyone showed resilience in their mature attitude to a different classroom environment. Elsewhere this week, we have continued our work with Year 6 in DT constructing our Christmas games, with our focus this week on how we can use glue guns to join mitre joints.

In PHSE, we have discussed different stereotypes that are in our society, highlighting the importance to prevent these from being said. Additionally, in RE we have focused on the Shahadah which extends our learning on the five pillars of Islam.

It is a December!!! I cannot quite believe it! We have been busy creating ideas to decorate our classroom to kickstart the festive season. Furthermore, we are excited for the Santa run and Christmas dinner (6th) and have been rehearsing our songs and readings for the service in the church (14th), we look forward to sharing them with you.

Have a great weekend everyone!

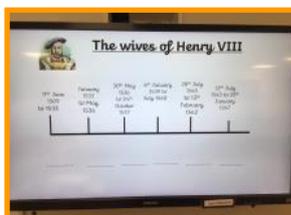

Year 6—Mr Davis

It has been assessment week in Year 6 this week. The class have undertaken the end of Key Stage assessments from 2022 - a reading paper, a grammar paper, a spelling paper and three maths papers. I have to say how impressed Mrs Gent, Mrs Nicks and myself have been with the children's efforts and resilience when encountering these sort of assessments for the first time. I know that they are all relieved that the week is over but it is an important week as it provides a great snapshot of where the children are with their learning now.

In Science this week, the children carried out the electrical experiments that they planned last week. Their focus was to consider what sort of data they were going to collect and how they were going to present their results.

In History, Year 6 have learnt about the wives of the Tudor King - Henry VIII. They learnt how he manipulated the law and the church to change his marriages and finished the lesson by creating 'Top Trump' cards, one for each wife! This week's RE lesson involved researching how the Judeo-Christian bible describes Heaven and Hell and how this relates to the world we live in. The children created a two-page spread of their research.

Finally, as it is the end of November, the children have been decorating their classroom in preparation for Mrs Fenemore's Christmas classroom competition. Hopefully we are in with a chance! Have a great weekend.

GLOW IN THE DARK

Glow In The Dark Nerf Gun Battles

Winkleigh Primary School

Mr Emery from Primary Sports will be running a glow in the dark nerf gun session for children in Year 1 to Year 6. Glow in the dark nerf guns is a fun based, indoor game played in the school hall. The session will take place on **Friday 8th of December 2023**

SESSION – 5.00pm to 6.00pm

We can only cater for 30 children so please book as soon as possible using the instructions below. The cost of the session will be **£7.50**. Children must be collected from the school at **6.00pm**

WINKLEIGH PRIMARY SCHOOL GLOW IN THE DARK NERF GUN BATTLE

To make a booking for the club please follow the instructions below:

- **1 – Enter our website – www.primary-sports.co.uk**
- **2 – Click on the “Booking now tab”**
- **3 – Click on the “Winkleigh Primary School – Glow In The Dark Nerf Gun Battles” tab**
- **4 – Complete the online booking form**

Mr Emery holds a clean enhanced DBS through Primary Sports. All equipment will be provided; children are expected to wear suitable bright PE Clothing and trainers. It is the responsibility of parents to make sure that inhalers are brought with the child and that the coaches are informed of medical conditions.

Glow in the dark nerf guns could result in a child being injured. Primary Sports and Education will accept no liability.

ADMISSIONS

STARTING SCHOOL IN SEPT 2024

Was your child born between
1st September 2019 and
31st August 2020?

How to Apply for a Primary School Place in Devon

You can apply online at

www.devon.gov.uk/admissionsonline

from 15th November 2023 to the 15th January 2024

If you cannot access the school
admissions website you can get
more information by calling our
Education Helpline on

0345 155 1019

or email: admissions@devon.gov.uk

Even if you have already given
details to a primary school, you
must apply for a place through the
Admissions Team. This is the only
way to apply; other forms or lists
held by schools will not count.

Advice and guidance

To find out more, search for health protection in schools or scan the QR code or visit <https://qrco.de/minfec>.

Are you entitled?

Families with children in Key Stage 1 who are eligible are encouraged to apply as the funding is in addition to Universal Infant Free School Meals!

If your circumstances have changed and you are now in receipt of one or more of the following:

- Universal credit (provided you have a net income of £7400 or less)
- Income support
- Income-based jobseekers' allowance
- Income-related employment and support allowance
- Support under Part IV of the Immigration and Asylum Act 1999
- The guaranteed element of state pension credit
- Child tax credit, provided that you are not also entitled to working tax credit and have an annual gross income of £16,190 or less

You may be eligible for pupil premium funding for Winkleigh Primary School, which entitles your child/ren to receive Free School Meals.

It takes less than a minute to apply.

Visit the following website:

<https://www.gov.uk/apply-free-school-meals>

or call the Education Helpline on 0345 155 1019.

If eligible, please send a screenshot of your confirmation to admin@winkleigh.devon.sch.uk
