Prior Knowledge

In Year 1, the children learned about Sri Lanka and compared it to the UK.

Key Vocabulary

Tier 1: world, cold, sea

Tier 2: temperature, atlas, continent, climate, Africa, Antarctica and desert

Tier 3: equator

My Component Knowledge:

Lesson 1: I can retrieve prior knowledge about the countries, continents and oceans of the world.

Lesson 2: I can locate where Antarctica is in the world.

Lesson 3: I can recognise where the hot and cold areas are in the world.

Lesson 4: I can structure a fact file about Antarctica.

Lesson 5: I can compare Antarctica and Africa.

Lesson 6: I can compare the climate and physical features of two different locations.

My Composite Knowledge:

I can describe the physical features and climate of a continent.

My Powerful Knowledge:

I can build on my prior knowledge of hot and cold places in the world. I can use atlases, maps and globes to locate countries, continents and oceans in the world. I can think about similarities and differences when comparing two contrasting locations.

Can you locate Antarctica on a world map or a globe?

What is the same about Antarctica and Africa? What is different?
